- (i) The Scheme is approved by the requisite majority of the shareholders and the creditors of the respective Transferor Companies and the Transferee Company as may be required under the Act and/or the orders of the Court;
- (ii) The Scheme is sanctioned by the Hon'ble High Court of Judicature at Allahabad under Section 394 of the Act;
- (iii) The certified copy of the order of the Court sanctioning the Scheme is filed with the Registrar of Companies, U.P. & Uttaranchal.
- 6.10 The Transferor Companies shall stand dissolved without winding up with effect from the date on which the certified copy of the order of the Court sanctioning the Scheme is filed with the Registrar of Companies, UP and Uttaranchal.
- 6.11 In the event of the Scheme failing to take effect by 30th June, 2009 or by such later date as may be agreed by the respective Board of Directors of the Transferor Companies and the Transferee Company, the Scheme shall become null and void and in that event, no rights and liabilities, whatsoever, shall accrue to or be incurred inter-se by the parties or their shareholders or creditors or employees or any other person. - 6.15 If any part of this Scheme is invalid, ruled illegal by any court or authority of competent jurisdiction or unenforceable under the present or future laws, then it is the intention of the parties that such part shall be severable from the remainder of this Scheme and this Scheme shall not be affected thereby, unless the deletion of such part shall cause this Scheme to become materially adverse to any party, in which case the parties shall attempt to bring about a modification in this Scheme, as will best preserve for the parties, the benefits and obligations of this Scheme, including but not limited to such part.
- The detailed and complete terms of the proposed amalgamation are given in the annexed Scheme of Amalgamation.
9. As provided in Clauses 5.02 to 5.05 of the Scheme, the shares held by the Applicant Companies in each other will not stand cancelled upon amalgamation. The said shares will be held by Trusts for the benefit of the respective Applicant Companies and upon Scheme being effective, the same will be held for the benefit of the Transferee Company, being successor of the Transferor Companies.
10. The ratio in which shares in the Transferee Company shall be allotted to the shareholders of the Transferor Companies, has been fixed on the basis of recommendation made by Bansi S. Mehta & Co., Chartered Accountants, Mumbai vide their report dated 15-12-2008. In terms of Clause 24 (h) of the Listing Agreement, the Transferee Company has obtained 'Fairness Opinion' from an independent SEBI Registered Merchant Banking Company, namely, Sobhagya Capital Options Limited, vide their letter dated 19-12-2008, on valuation of assets / shares done by the Valuer for the Transferee Company and unlisted companies, i.e., Transferor Companies No. 2 & 4, which has been accepted and approved by the concerned Board of Directors of the Applicant Companies.
11. The circumstances that have necessitated the proposed Scheme and the objects sought to be achieved are explained below –
- The Transferee Company is engaged in Civil Engineering Construction, Manufacture and marketing of cement, Hospitality, and Real Estate activities etc. The Transferor Company No. 1 is engaged in Hospitality, Real Estate & Civil Engineering Construction business. The Transferor Company No. 2 and Transferor Company No. 4 are setting up cement plants. The Transferor Company No. 3 is engaged in the business of Civil Engineering Construction, has limestone mines, Real Estate and factory premises at Sikandarabad (near Delhi) which is proposed to be used for setting up a Clinker Grinding Unit.
- Thus the Scheme would enable the Companies to realise the substantial benefits of greater synergies between their businesses. The amalgamation will also result in consolidation of cement business resulting in pan India presence and reducing volatility of regional demand-supply factors besides achievement of economies of scale and management efficiency, reduction in administrative cost, optimization of resources, enhanced flexibility in funding of expansion plans, expansion of asset base, improvement in profitability and stronger balance sheet of the merged company, etc.
- Thus the proposed amalgamation will benefit the shareholders of all the companies with better return and capital appreciation on their investment.
12. The directors of the Applicant Companies have no material interest in the Scheme of Amalgamation. The shareholdings of present directors of the Applicant Companies as on 31.12.08 have been as under –
