Independent Auditors' Report

To the Members of
Himalyan Expressway Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Himalyan Expressway Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its loss including other comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Material Uncertainty Related to Going Concern

We want to draw attention to Note 40 to the financial statements for the year ended March 31, 2024, which indicate that the Company incurred net loss of INR 11,533.68 Lakhs during the year ended March 31, 2024 resulting into the accumulated losses amounting to INR 52,879.46 Lakhs as at that date which has fully eroded the net worth of the Company. The current liabilities exceeded its current assets by INR 38,185.38 Lakhs. The ICICI Bank has approved the One Time Settlement, proposing the substitution of concessionaire for the remaining concession period. The substitution is yet to be approved by NHAI. However, the results of the Company have been prepared on a going concern basis for the reasons stated in the said note. Our conclusion is not modified in respect of this matter.

Information Other than the Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we

have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act;
 - e. On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act;
 - f. The matter described in Material Uncertainty related to Going Concern paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
 - g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, according to the information and explanation given to us, the Company has not paid any managerial remuneration during the year;
 - i. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at March 31, 2024 on its financial position in its financial statements - Refer Note 30 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement;
- v. The company has not declared or paid any dividend during the year.
- vi. Based on our examination which included test checks, the company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

Annexure "A" to the Independent Auditor's Report

(Referred to in paragraph 1 under, Report on "Other Legal and Regulatory Requirements" section of our report to the members of Himalyan Expressway Limited of even date)

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets: -
 - a. (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, Plant and Equipment.

(B) The company has maintained proper records showing full particulars of intangible assets.
 - b. The Company has a program of physical verification of Property, Plant and Equipment to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were physically verified by the management during the year. According to the information and explanations given to us, discrepancies noticed on such verification were accounted for in the books of account.
 - c. There is no immovable property, held by the Company and accordingly, the requirement to report on clause 3(i)(c) of the Order is not applicable to the Company.
 - d. The Company has chosen cost model for its Property, Plant and Equipment and intangible assets. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment or intangible assets does not arise.
 - e. Based on the information and explanations furnished to us, no proceedings have been initiated on the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its standalone financial statements does not arise.
- ii. (A) The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by the Management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory and have been properly dealt with in the books of accounts

(B) The Company has not been sanctioned any working capital limits from banks or financial institutions during any point of time of the year. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.
- iii. The Company has not made investments in, provided any guarantee or security or granted any loan and advances in nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships during the year. Accordingly, reporting under Clause 3(iii) of the Order are not applicable.
- iv. There are no loans, investments, guarantees, and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013 are applicable and accordingly, the requirement to report on clause 3(iv) of the Order is not applicable to the Company.
- v. According to the information and explanations given to us, the Company has not accepted any deposit. Accordingly, reporting under Clause 3(v) of the Order are not applicable.
- vi. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013 and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the same.
- vii. According to the information and explanations given to us, in respect of statutory dues:
 - a. In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including provident fund, employees' state insurance, income-tax, sales tax, service tax, customs duty, excise duty,

value added tax, goods and service tax, cess and other material statutory dues applicable to it with the appropriate authorities.

There are no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, sales tax, service tax, customs duty, excise duty, value added tax, goods and service tax, cess and other material statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.

- b. Details of statutory dues referred to sub-clause (a) above which have not been deposited as on March 31, 2024 on account of disputes are given below:

Sl. No.	Nature of Statute	Nature of dues	Forum where dispute is pending	Period(s) or which the amount relates (F.Y.)	Amount (INR in Lakhs)	
					Gross	Amount deposited
1	Income Tax Act, 1961	Income Tax	High Court	2008-2009	60.97	60.97
2.	Income Tax Act, 1961	Income Tax	High Court	2010-2011	74.88	74.88
3.	Income Tax Act, 1961	Income Tax	High Court	2011-2012	31.94	31.94

- viii. According to the information and explanation given to us and the records of the Company examined by us, there is no income surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

- ix. (a) The Company has defaulted in repayment of dues to financial institutions, banks and Government / debenture holders during the year as stated below. This matter has been disclosed in notes to the financial statements:

Name of the Party	Nature of payment	Amount defaulted on the date (INR in Lakhs)	No. of days since default
ICICI Bank Limited	Principal	8,126.75*	37-794 Days
ICICI Bank Limited	Interest	12,258.05**	1-1584 Days

*Principal payment amounting to INR 6,226.75 Lakhs remains unpaid as on March 31, 2024.

** Interest payment amounting to INR 12,258.05 remains unpaid as on March 31, 2024.

(b) According to the information and explanation given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) According to the records of the Company examined by us and the information and explanations given to us, the Company has not obtained any term loans. accordingly, the requirement to report on clause (ix)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us, and the procedures performed by us and on an overall examination of the financial statements of the Company, the Company has not raised funds on short term basis.

(e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.

(f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on Clause 3(ix)(f) of the Order is not applicable to the Company.

- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under Clause 3(x)(a) of the Order are not applicable to the Company.

(b) According to the information and explanation give to us, company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under Clause 3(x)(b) of the Order are not applicable to the Company.

- xi. (a) During the course of the examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company noticed or reported during the year, nor have been informed of any such case by the Management.
- (b) During the course of the examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, report under section 143(12) of the Act, in Form ADT-4 was not required to be filed. Accordingly, the reporting under Clause 3(xi)(b) of the Order are not applicable to the Company.
- (c) During the course of the examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us and as represented to us by the management, no whistle blower complaints have been received during the year by the Company. Accordingly, the reporting under Clause 3(xi)(c) of the Order are not applicable to the Company.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii. According to the information and explanation and records made available by the company, the Company has complied with the provision of Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. The Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under Clause 3(xvi)(a), (b) and (c) of the Order are not applicable.
- (b) Based on the information and explanations provided by the management of the Company, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CICs, which are part of the Group. We have not, however, separately evaluated whether the information provided by the management is accurate and complete. Accordingly, the reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.
- xvii. The Company has incurred cash losses of INR 59.33 Lakhs in the current financial year. However, the Company has not incurred any cash losses in the immediately preceding financial year respectively.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause (xviii) is not applicable.
- xix. On the basis of the financial ratios disclosed in the financial statements, the ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions and considering the Company's current liabilities exceeds the current assets by INR 38,185.38 Lakhs, but the Company has sponsorship agreement with the Holding Company which states that the holding Company will make equity contributions in case of inability of the Company to meet the debt service requirements, nothing has come to our attention, which causes us to believe that Company is not capable of meeting its liabilities, existing at the date of balance sheet, as and when they fall due within a period of one year from the balance sheet date.

We, further state that this is not an assurance as to the future viability of the Company and our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance

that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. The Company is not required to contribute any amount towards Corporate Social Responsibility (CSR). Accordingly, reporting under Clause 3(xx)(a)&(b) of the Order are not applicable.

Annexure B to the Independent Auditors' Report on the financial statements of Himalyan Expressway Limited

(Referred to in paragraph 2(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Himalyan Expressway Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The management of the Company is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls over Financial Reporting with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

1. Material accounting policies

1.1 Material accounting policies

The significant accounting policies applied by the company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements, unless otherwise indicated.

I. Basis of preparation:-

The Company has adopted accounting policies that comply with Indian Accounting standards (Ind AS) notified by Ministry of Corporate Affairs vide notification dated February 16, 2015 under section 133 of the Companies Act 2013. Accounting policies have been applied consistently to all periods presented in these financial statements. The financial statements referred hereinafter have been prepared in accordance with the requirements and instructions of Schedule III to the Companies Act 2013, amended from time to time, applicable to companies to whom Ind AS applies.

The material accounting policy information related to preparation of the financial statements have been disclosed in the respective notes.

Use of Estimates:-

The preparation of financial statements require estimates and assumptions to be made that affect the reported amount of asset and liabilities on the date of the financial statements and the reported amount of the revenue and the expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

II. Property, Plant and Equipment (PPE): -

PPE are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

The carrying amount of a property, plant and equipment is de-recognised when no future economic benefits are expected from its use or on disposal.

Machine spares that can be used only in connection with an item of PPE and their use is expected for more than one year are capitalized.

Depreciation on property plant and equipment is provided on straight line method based on estimated useful life of assets as prescribed in schedule II to the Companies Act, 2013.

Depreciation on additions to / deduction from property plant and equipment during the year is charged on Pro-rata basis / up to the month in which the asset is available for use / disposal.

Gains and losses on de-recognition/disposals are determined as the difference between the net disposal proceeds and the carrying amount of those assets. Gains and Losses if any, are recognised in the statement of profit or loss on de-recognition or disposal as the case may be.

III. Intangible Assets:-

Intangible assets acquired separately are measured on initial recognition at cost less accumulated amortisation and accumulated impairment losses, if any.

The cost of an intangible asset includes purchase cost including any import duties and non-refundable taxes, and any directly attributable costs on making the asset ready for its intended use.

i. The Cost of Softwares are amortized on a straight line basis over a period of six years.

ii. Amortization on Intangible Assets (Toll Road) is provided in the manner prescribed in Serial-3(ii) of Schedule II to the Companies Act, 2013.

HIMALYAN EXPRESSWAY LIMITED
NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

The amortisation period and method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

IV. Capital work in progress:-Capital work-in-progress represents capital expenditure incurred in respect of the project under execution and is carried at cost. Cost includes construction costs, borrowing costs capitalized and other direct expenditure.

V. Borrowing Cost:-

Borrowing cost included interest and amortization of ancillary cost incurred in connection with the arrangement of borrowings. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective assets. All other borrowing costs are expensed in the period they occur.

VI. Impairment of non-financial assets:-

An assets is treated as impaired, when carrying cost of assets exceeds its recoverable amount. An impaired loss is charged to statement of profit and loss in the year in which an assets is identified as impaired. The impaired loss is recognized in prior accounting period is reversed if there is a change in the estimate of the recoverable amount.

VII. Cash and cash equivalents

Cash and cash equivalents includes cash on hand and at bank, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consists of cash and short term deposits, as defined above, net of outstanding bank overdraft as they are being considered as integral part of the Company's cash management. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet

VIII. Retirement and other employee benefits:-

Retirement benefit costs and termination benefits

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting year. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the Balance sheet with a charge or credit recognised in other comprehensive income in the year in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to Statement of profit and loss. Past service cost is recognised in Statement of profit and loss in the year of a plan amendment or when the Company recognises corresponding restructuring cost whichever is earlier. Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- re-measurement

The Company presents the first two components of defined benefit costs in Statement of profit and loss in the line item 'Employee benefits expenses'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the Balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of

HIMALYAN EXPRESSWAY LIMITED
NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

Short-term and other long-term employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the year the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

IX. Tax Expenses:-

Income Tax is determined in accordance with the provisions of the Income Tax Act, 1961.

Current Tax:-Current Tax are recognized in statement of profit & loss except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current tax is also recognized in other comprehensive income or directly in equity, respectively.

Deferred Tax:- Deferred tax is recognized using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates expected to apply to taxable income in the years in which those temporary differences when they reversed based on the laws that have been enacted or substantially in acted by the reporting date

Deferred tax assets are recognized for the unused tax credit to the extent that it is probable that taxable profits will be available against which the losses will be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits.

X. Earnings Per Share:-

Basic earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of shares outstanding during the year. Diluted earnings per share is computed using the net profit for the year attributable to the shareholder' and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

XI. Provisions and contingencies:-

a) Provisions:-

Provisions are recognised when the Company has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not recognised for future operating losses. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

HIMALYAN EXPRESSWAY LIMITED
NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

b) Contingencies:-

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

XII. Revenue Recognition:-

Revenue is measured at the fair value of the consideration received or receivable, taking into account the contractually defined terms of payment net of returns and allowances, trade discounts and volume rebates, excluding taxes or duties collected on behalf of the government.

Revenue is recognized from toll road based on Toll Fee Collected.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable. Interest received on income tax refund is accounted for on actual receipts basis.

XIII. Government grant:-

Government grants relating to the purchase of property, plant & equipment and intangible assets are included in current or non-current liabilities as deferred income and are credited to statement to profit or loss in the proportion of the amortized cost of related assets and presented within other income.

XIV. Critical accounting estimates, assumptions and judgements:-

In the process of applying the Company's accounting policies, management has made the following estimates, assumptions and judgements, which have significant effect on the amounts recognised in the financial statement:

a) Property, plant and equipment

The Company assess the remaining useful lives and residual value of property, plant and equipment. Management believes that the assigned useful lives and residual value are reasonable, the estimates and assumptions made to determine depreciation are critical to the Company's financial position and performance.

b) Income taxes

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements.

c) Contingencies

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

XV. Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

*As per Concession Agreement, HEL needs to carry out major maintenance once in every 5 years. The maintenance was required to be completed by 21st March, 2017, which the Company failed to do so due to business conditions, therefore NHAI imposed a Penalty of INR 28.50 Crore for non Compliance of provision of Concession Agreement. Subsequently HEL has incurred the major repair expenditure during FY 19-20 and requested NHAI for waiver of the damages imposed NHAI through its letter dated inquired HEL to review relevant provisions for relaxation of damages imposed and provide justifiable comments with recommendations for taking further necessary action. Further more, Independent Engineer re calculated additional damages of aforesaid non compliances and recommended INR. 448.00 Lakhs to be recovered from the concessionaire in accordance with the provision of the concessionaire agreement.

The company has replied that as per the said agreement the penalty clause will be attracted in case the repair and maintenance has not done by company and the same has been carried out by NHAI through third party but in our case from 21st March, 2017 (due date of repair maintenance) till date NHAI did not carried out any repair and maintenance from third party but infact the company has done the required repair and maintenance in FY 19-20. Management of the company believe that it will succeed in waiver of penalty imposed by NHAI on merits.

**For AY 2009-10, AY 2011-12 & AY 2012-13, the Company has preferred appeal against the demand raised by the Income Tax Department which are pending with the Hon'ble High Court of Judicature at Chandigarh and deposited a sum of INR 167.79 Lakhs in aggregate under protest. The Company is confident that the additional amount so demanded will not be sustained at the completion of the proceedings. Accordingly, no further adjustment required in these financial statements.

***The Company has issued 11% Redeemable Cumulative preference share of INR 100 each fully paid aggregating to INR 2,500 Lakhs. The Company is under obligation to pay dividend. However, the Company has not paid any dividend due to losses and accounted the same as per Ind AS.

Other matters

(a) As Ministry of Road Transport and Highways had announced suspension of toll collection from 9th November, 2016 to 2nd December, 2016 due to Demonetisation. Accordingly the Company has requested NHAI for Compensation against toll revenue loss during the said period (9.11.2016 to 2.12.2016) amounting INR 301 Lakhs. NHAI asked for Independent Consultant's comments on the said request of HEL. Independent Consultant suggested to NHAI for Extension of Concession period for which collection of Fee remain suspended i.e., 23 days 5 hours 30 minutes to compensate for the suspension of toll collection. No extension order is received till now but the Company is hopeful of suitable relief in this regard.

(b) Due to Covid-19 pandemic, there was a complete lockdown in the country and free movement of Traffic was closed on all highways/Expressways. Accordingly NHAI directed the toll companies to closed down the toll operation from 26th March, 2020 to 19th April, 2020. The company had requested NHAI for relief on account of revenue loss suffered during the said period amounting INR 611 Lakhs. NHAI asked the company to submit consolidated proposal for the said period and period during which collection was less than 90% of Average Daily Fee (through "Independent Consultant"). Independent Consultant suggested to NHAI for Extension of Concession period for which collection of Fee remain suspended i.e., 24 days 15 hours to compensate for the suspension of toll collection. No extension order is received till now but the Company is hopeful of suitable relief in this regard.

Note no. 37

Impairment of assets

The Company has conducted a valuation of its intangible assets under a service concession agreement i.e "Toll Rights", and determined the value of Toll Rights at INR 18,000 Lakhs, which is subject to adjustments as specified in the agreement. This valuation was based on a discounted cash flow analysis, incorporating various assumptions to estimate a range of values. Based on this valuation, the Company entered into an agreement with the buyer for the purchase of Toll Rights which is contingent upon approval from the NHAI. Till the date of signing of the financials no approval from the NHAI is received. Consequently, the Company has recognized an impairment on the Toll Rights to adjust them to their fair value, in accordance with the terms of the agreement.

Note No.38

Debenture Redemption Reserve has not been created in view of inadequacy of profit during the year.

Note No.39

Note on Definitive Agreement

The Company is having rights through concession agreement dated August 31,2007 for design, engineering, finance, construction, development, operation & maintenance, rehabilitation and strengthening of the existing 2 lane road and widening to 4 lane divided carriageway facility highway from Km 39.860 to Km 67.000 of the Zirakpur to Parwanoo Section including Panjar-Kalka-Parwanoo Bypass section of National Highway No. 22 in the states of Punjab, Haryana and Himachal Pradesh, India on build, operate and transfer basis. In order to reduce debt of the Company, the Board of Directors of the Company in their meeting held on January 25, 2024 have approved the substitution of the concessionaire. Lenders of the Company, namely ICICI Bank Limited and India Infradebt Ltd. have elected Neo Infra Income Opportunities Fund acting through New Asset Management Private Ltd., its investment manager (Neo Asset) as the successful bidder.

The Lenders, Buyer, and the Company have since then executed a definitive agreement ("Agreement") on April 02, 2024 for the substitution of concessionaire, encompassing the sale of toll rights for the remaining concession period. Pursuant to the terms outlined in the Agreement, the substitution of the Company with the new Special Purpose Vehicle (SPV) of Neo Asset is contingent upon approval from the NHAI. Till the date of signing of the financials no approval from the NHAI is received. The enterprise value of INR 18,000 Lakhs is subject to adjustments in accordance with the terms specified in the agreement.

HIMALYAN EXPRESSWAY LIMITED
NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024
(All Amount in INR Lakhs)

Note no. 40

The company has been incurring the continuous losses due to less traffic on the toll road and has incurred the net loss during the year amounting to INR 11,533.68 Lakhs (previous year INR 136.10 Lakhs) and the current liabilities of the company exceeds its current assets by INR 38,185.38 Lakhs (previous year INR 37,475.59 Lakhs). These factors indicate that there is material uncertainty that may cast significant doubt about the company's ability to continue as going concern hence therefore, it may be unable to realise its assets and discharge its liabilities in the normal course of the business. Himalayan Expressway Limited (HIEL) formally requested ICICI for a one-time settlement of its outstanding debt, proposing the substitution of concessionaire for the remaining concession period. Pursuant to the terms outlined in the Agreement, the substitution of the Company with the new Special Purpose Vehicle (SPV) of Neo Assets is contingent upon approval from the National Highways Authority of India (NHAI) and till the date of signing of the financials no approval from NHAI is received and hence precluding a definitive conclusion until approval from NHAI is received is not appropriate. Hence, the Company is undertaking a number of steps which will result in an improvement in cash flows and enable the Company to meet its financial obligations. Further, the Company has sponsorship agreement with the Holding Company which states that the holding Company will make equity contributions in case of inability of the borrower to meet the debt service requirements which means that our going concern assumption is dependent upon holding company going concern assumption. Based on the foregoing, the financial statements are prepared on the going concern basis.

Note no. 41

Capital management

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company's primary objective when managing capital is to ensure that it maintains an efficient capital structure and healthy capital ratios and safeguard the Company's ability to continue as a going concern in order to support its business and provide maximum returns for shareholders. The Company also proposes to maintain an optimal capital structure to reduce the cost of capital.

For the purpose of the Company's capital management, capital includes issued equity share capital, security premium reserve and all other equity reserves. Net debt includes, interest bearing loans and borrowings, trade and other payables less cash and short term deposits. The Company monitors capital using gearing ratio, which is net debt divided by total capital.

Fair value hierarchy

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant available data. The fair values of the financial assets and liabilities represents the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 3 as described below

Level 1: It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date.

Level 2: These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the company specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in level 2.

Level 3: Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs). If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3

The company has no financial asset and financial liabilities as at year end for which fair valuation is required.

(c) Financial risk management

The Company's corporate treasury functions provides services to the business, coordinates access to the financial markets, monitors and manages the financial risks relating to operations of the Company through internal risk reports which analyse exposure by degree and magnitude of risk. These risks include market risk (including currency risk, interest rate risk and other price risks, credit risk and liquidity risk).

The principal financial assets of the Company include other receivables, and cash and bank balances that derive directly from its operations. The principal financial liabilities of the Company, include loans and borrowings, trade and other payables and the main purpose of these financial liabilities is to finance the day to day operations of the Company.

The Company's senior management oversees the management of these risks. The senior professionals working to manage the financial risks and the appropriate financial risk governance framework for the Company are accountable to the Board of Directors and Audit Committee. This process provides assurance to Company's senior management that the Company's financial risk-taking activities are governed by appropriate policies and procedures and that financial risk are identified, measured and managed in accordance with Company policies and Company risk objective. In the event of crisis caused due to external factors, the management assesses the recoverability of its assets, maturity of its liabilities to factor it in cash flow forecast to ensure there is enough liquidity in these situations through internal and external source of funds. These forecast and assumptions are reviewed by board of directors.

This note explains the risks which the Company is exposed to and policies and framework adopted by the Company to manage these risks.

(l) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprises three types of risk - currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity price risk. Financial instruments affected by market risks include loans and borrowings, deposits, investments, and foreign currency receivables and payables. The sensitivity analysis in the following sections relate to the position as at reporting date. The analysis exclude the impact of movements in market variables on the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities. The sensitivity of the relevant Profit and Loss item and equity is the effect of the assumed changes in the respective market risks. This is based on the financial assets and financial liabilities held as of March 31, 2024 and March 31, 2023

(b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates.

The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates, which are included in interest bearing loans and borrowings in these financial statements. The Company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Particulars	As at	As at
	March 31, 2024	March 31, 2023
Fixed rate borrowings	17,205.59	15,398.14
Floating rate borrowings	16,497.19	19,011.52

Interest rate Sensitivity of Borrowings

With all other variables held constant, the following table demonstrates the sensitivity to a reasonably possible change in interest rates on floating rate portion of loans and borrowings

(ii) Credit risk

Credit risk is the risk that counterparty will not meet its obligations leading to a financial loss. Since the Company's primary business is toll collection from general public which is primary in cash, there is no credit risk involved. A default on a financial asset is when there is a significant increase in the credit risk which is evaluated based on the business environment. The assets are written off when the Company is certain about the non-recovery.

(a) Financial Instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made in bank deposits and other risk free securities. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments. The Company's maximum exposure to credit risk for the components of the balance sheet at March 31, 2024 is the carrying amounts. The Company's maximum exposure relating to financial instrument is noted in liquidity table below. Financial assets are written off when there is no reasonable expectation of recovery, such as debtor failing to engage in the repayment plan with the Company.

(iii) Liquidity risk

The financial liabilities of the Company include loans and borrowings, trade and other payables. The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company monitors its risk of shortage of funds to meet the financial liabilities using a liquidity planning tool. The Company plans to maintain sufficient cash and marketable securities to meet the obligations as and when fall due.

The table below analyses the Company's financial liabilities and financial assets into relevant maturity groupings based on their contractual maturities.

Other accounting policies

a) Current and non-current classification:-

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is classified as current when it satisfies any of the following criteria

- it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle, it is held primarily for the purpose of being traded;
 - it is expected to be realised within 12 months after the reporting date, or
 - it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- it is expected to be settled in the Company's normal operating cycle,
 - it is held primarily for the purpose of being traded,
 - it is due to be settled within 12 months after the reporting date; or the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.
- All other liabilities are classified as non-current.

b) Inventories:-

Inventories of store and spares are valued at weighted average cost or net realizable value whichever is lower.

c) Insurance Claims -

Insurance Claims are accounted for based on receipt of claims and are accounted under "Other Income".

HIMALYAN EXPRESSWAY LIMITED
NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024
(All Amount in INR Lakhs)

d) Fair Value Measurement:-

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Entity uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets & liabilities on the basis of the nature, characteristics and the risks of the asset or liability and the level of the fair value hierarchy as explained above.

e) Financial instruments:-

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity

(i) Initial Recognition and measurement

All financial assets and liabilities are recognized at its fair value plus transaction cost that are attributable to the acquisition of the financial assets and liabilities (other than financial asset and financial liabilities at fair value through Profit & loss. However, trade receivables that do not contain significant financial component are measured at transaction price.

(ii) Subsequent measurement

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset is measured at fair value through profit and loss unless it is measured at amortized cost or at fair value through other comprehensive income.

Financial liabilities

The financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate transaction value due to the short maturity of these instruments.
